NEW TEAM MEMBERS ENHANCE COMPANY'S REACH AND CUSTOMER EXPERTISE

DALLAS (August 23, 2011) – With a continued focus on propelling people and organizations forward with sound business strategy, PeopleResults™ is pleased to announce two new partners, Kristi Erickson and Betsy Winkler.

Erickson brings more than 25 years of global, multi-industry experience designing talent strategies for competitive advantage, across all phases of the human capital lifecycle. Her recent clients have included 7-Eleven®, Henry Oddo Austin & Fletcher, Multiview and PepsiCo. She excels at developing pragmatic solutions for complex issues, helping companies drive performance and achieve business results through best use of their talent. Prior to joining PeopleResults, Erickson was a partner at Accenture. She held a number of global roles and was responsible for the creation of the Solutions workforce, which grew to 60,000 over a 5-year period and was the backbone of Accenture's offshore capability. Erickson was most recently responsible for all of Human Resources in North America, ensuring the right skills and capabilities were hired and retained to drive 40 percent of Accenture's revenue. She currently serves on the board of directors at Dallas Social Venture Partners.

Winkler has been a senior business consultant and change leader for 20 years, most recently at PepsiCo where she led the Change Leadership Center of Excellence. Her clients have included 7-Eleven, Arco, Boeing, FedEx and Raytheon. Her experience includes working with many multi-national companies on large, complex change and communications programs to drive business value. She is certified in DDI facilitation skills and Hogan assessments. She is a Change Leadership speaker at the 2011 Organization Development Network national conference.
